Approval Notice Response to Modifications- (New Application)

27-Mar-2017

Rodrigues, Annes AM.

Ethics Reference #: U17/01/001

Title: To determine the use of therapeutic apparatus in Occupational Therapy clinical practice within South Africa.

Dear Miss Annes Rodrigues,

The **Response to Modifications - (New Application)** received on **24-Mar-2017**, was reviewed by members of **Undergraduate Research Ethics Committee** via Expedited review procedures on **25-Mar-2017** and was approved.

Please note the following information about your approved research protocol:

Protocol Approval Period: **27-Mar-2017 -26-Mar-2018**

Please remember to use your **protocol number (U17/01/001)** on any documents or correspondence with the HREC concerning your research protocol.

Please note that the HREC has the prerogative and authority to ask further questions, seek additional information, require further modifications, or monitor the conduct of your research and the consent process.

After Ethical Review:

Please note a progress report should be submitted to the Committee before the year has expired.

The Committee will then consider the continuation of the project for a further year (if necessary). Annually a number of projects may be selected randomly for an external audit.

Translation of the consent document to the language applicable to the study participants should be submitted.

We wish you the best as you conduct your research.

If you have any questions or need further assistance, please contact the HREC office at 0219389181.

Please note that this decision will be ratified at the next HREC full committee meeting. HREC reserves the right to suspend UREC approval and to request changes or clarifications from student applicants. The UREC coordinator will notify the applicant (and if applicable, the supervisor) of the changes or suspension within 1 day of receiving the notice of suspension from HREC. HREC has the prerogative and authority to ask further questions, seek additional information, require further modifications, or monitor the conduct of your research and the consent process.

Sincerely,

Debra Marais
UREC Coordinator
Undergraduate Research Ethics Committee
